TWENTY-SEVENTH YEAR

MCCOOK, RED WILLOW COUNTY, NEBRASKA, FRIDAY MORNING, NOVEMBER 27, 1908

NUMBER 27

PALMER HOTEL CHANGES OWNERSHIP.

Big Hostelry on West 2nd Street Becomes Property of William Doyle and Charles Bailey.

An important deal was closed this week wherein James Rooney disposed of his hotel property on West 2nd street, The Palmer, to William Doyle and Charles Bailey, the consideration being \$12,500.00, a very reasonable figure for so valuable a property.

An Appeal.

Having heard of a petition being circulated, for the purpose of continuing the saloons in McCook another year; we the W. C. T. U. as an organization banded together for the maintenance of purity and happiness of the home, and knowing the saloon to be the deadliest enemy of the home, do beg of you voters and business men, who by virtue of your manhood should be the protectors of the womanhood and childhood of our city, to withstand such petition. We also state that we shall cease to patronize any merchant who shall sign said petition or in any way aid the saloons.

Signed: W. C. T. U.

Made a Neat Net Sum.

About \$135 was cleared from the dance, Friday evening last, by the ladies of the O. E. S. This sum will about enable the chapter to pay out in full on its generous \$300 stock subscription to the temple-opera house project. The ladies are to be warmly congratulated upon the splendid success of their hop, which scored handsomely socially.

The ladies are most appreciative and grateful to the public for generous patronage.

CHAMOIS

L. W. McCONNELL, Druggist.

We Have Said This to You Before:

"A Saving in Money—an improvement in looks"—by wearing Stein-Bloch clothes. We have signed our name to it. If it's true, you are interested—and we are standing pat. A simple try-on is worth while.

ROZELL & BARGER, Clothiers.

Until Dec. 5th

inclusive, we will honor this advertisement (if cut out and brought to us) to the amount of one dollar, on the purchase of any men's overcoat in our stock. Coats from \$5.00 to \$13.50. Not good after Saturday, Dec. 5th. The Thompson D. G. Co. Actual cash values.

SUBSCRIPTIONS.

If you want to subscribe for or renew your subscriptions to any magazine or paper published, go to Barney Hofer, the old reliable local dealer, who will save you money. Get "wise" to strangers and don't get "stung" like so many have the past year.

Thanksgiving Day.

Union services were held in the Methodist church, sermon delivered by the Rev. Ainsworth of the Christian church, to the usual rather limited attendance. Collection was lifted for the needy of the city.

Rain and Snow.

A fine rain and snow fell in this vicinity, Tuesday night. All of which is more than acceptable. The small grain can use it all and than some. Our compliments to the weather clerk. Do it again.

Underwear! Underwear!

Jack Frost is calling your attention to the need of warmer underwear. Rozell & Barger have Cooper's, the Globe and the popular, non-shrinking Duofold. Better call and examine.

New Real Estate Firm.

Messrs. D. Y. Dorwart and E. F. Newlon have formed a partnership in the real estate business. They have office accommodations with H. H. Berry under the Citizens Bank.

Only the Best.

Only the best is just good enough for the discriminating public that patronizes Marsh's meat market. And that is his motto and practice.

Counterfeit Dollars

buy trouble, but a genuine quarter buys McMillen's Face Lotion—relieves chapped hands and face.

Hall for Rent.

For receptions, parties etc. Rates reasonable. Phone Mrs. D. Diamond, black 266.

John Cashen, Auctioneer, Indianola, Nebr. Dates booked at McCook National bank.

A Great Sale of Pianos.

A list that is the biggest that has ever been compiled, comprising fine pianos, has just been issued by Lyon & Healy. This list contains the names of the hundreds of fine, new pianos and slightly-used pianos being offered at a forced sale owing to re-building operations by Lyon & Healy. Full and trustworthy particulars of each instrument are given, so that the buyer may judge for himself whether or not the piano is a bargain.

The figures quoted are phenomenally low. Lyon & Healy are making a determined effort to close out all this great stock of instruments within the next 30 days, and the prices have been reduced with this object in view.

Send for a copy of this list. If you do not wish to pay all cash for a piano, you can arrange for monthly payments. Address Lyon & Healy, 10 Adams street, Chicago.

Lyon & Healy exhibit the largest and most varied stock of pianos in the world—over 1,000 instruments.

THANKSGIVING THANKS.

To the ladies of McCook and vicinity: For calling and inspecting my line of LADIES' SUITS, SKIRTS AND CLOAKS. Also special thanks to those who made purchases in these lines of me. As the ladies' trade does not justify me of engaging an expert lady clerk without raising the present low prices of my up-to-date LADIES' FINE SUITS, SKIRTS AND CLOAKS, I will continue to give my personal attention to all my ladies' trade and endeavor to give them fair and courteous treatment in the future as in the short past. I am still your true, obedient servant,

BE A TEMPLE-THEATRE BOOSTER

A Financial Statement of the Receipts, Expenditures and Urgent Requirements of the Splendid Enterprise.

\$15,000 MORE NEEDED TO COMPLETE BUILDING

Those Largely Interested in McCook Realty and All Desiring McCook's Advancement Should Rally to the Aid of This, Our Greatest Undertaking.

The Board of Directors of the Masonic Temple Craft association have just issued a financial statement of the condition of the temple-opera house now in course of construction. Incidentally, they offer some other facts of equal importance.

The figures disclose the fact that up to the date the circular was issued from the press, the receipts of the association on stock subscriptions were \$14,872.00.

The disbursements up to the same date, for all purposes, were \$12,137.04. A recapitulation of the disbursements shows that the money went to the following persons and purposes:

RECAPITULATION.

Real estate	\$ 3,345.00
Excavation	731.75
Concrete footings	926.19
Estimate of contractor	6,500.00
Extra material furnished	156.60
Architect and superintendent	430.00
Miscellaneous	47.50
Total	\$12,137.04

The circular makes public the fact that the total amount of stock subscribed for up to that date was \$30,000.00. That the board has an offer to complete the building, exclusive of plumbing, heating, wiring and furnishings, for \$33,500.00. That the estimated cost of the completed building will be \$45,000.00.

MCCOOK MASONIC TEMPLE-OPERA HOUSE.

And this brings us to the fact which should be presented to the people of McCook clearly and frankly, viz: A considerable sum, at least \$15,000.00, will have to be further subscribed for in order to complete the building as contemplated. This is not an impossible sum, as quite a number of McCook's richest people have so far not contributed a penny to this great city enterprise. A number of those who have come magnificently to the aid of the enterprise have signified their willingness to take additional stock. Now, if those who are able and heavily interested in McCook realty and in McCook's advancement will do their part the enterprise will go on without delay and to the earliest possible completion.

Now for a Final Boost!

The board of directors of the temple-opera house have been busy, this week, and been in consultation with numbers of leading citizens, to the end that they feel considerably encouraged over prospects for the future. Interest has been engaged which promises results much to be desired. Harmoniously united action essential to the prompt success of the enterprise seems now to be practically assured. There are promises of a reassuring nature that the flow of subscriptions, which has been stopped for a few weeks, will continue with volume and vigor. Efforts to enlist new capital and other citizens appear to have measurably succeeded. The absolutely far intentions of the association and board of directors toward all citizens, the "no debt" and "no graft" declarations and determination of the board and stockholders place the project before the people in a clear light which must and does appeal to all who have a real interest in and desire for McCook's continued growth and prosperity. The way now seems to be opening up for the completion of the enterprise! LET EVERYBODY BOOST ANEW!

Both are Disgusted.

Republicans and Democrats alike cannot help being disgusted with the lying their hide bound party organs have done during the past campaign. A paper whose proprietor either holds a federal job or is looking for one, cannot be depended upon to tell the unbiased truth about politics and even sometimes about other things. Why should your report about daily affairs be colored to suit the selfish interests or desires of the man who happened to have his money invested in newspaper machinery? You have a right to have pure news as well as pure food. And also, why not pure advertising? The paper goes into the home and is read by your children. You are trying to keep their minds clean and would raise a row if you found an immoral or impure book in the house. Why not guard what they read in daily papers as carefully? The Lincoln State Journal columns are the best evidence of its cleanness. A whole lot of advertising is found in other dailies that is kept out of the Lincoln Journal. When you take The Journal you pay only for your own paper as it has no deadbeats; no bad bills. Everybody pays in advance and every paper is stopped when the time is out. Its a co-operative plan, every item of waste being eliminated and you get the benefit. Lincoln is your capital and The Journal your paper.

THANKSGIVING THANKS.
To those gentlemen whom I have served with their needs in my line of fine up-to-date CLOTHING AND GENTS FURNISHINGS:

I thank you in anticipation. I am ready to serve you at any time. I remain your obedient servant,

To Acquire a Site.

There is clearly an active interest and a growing sentiment in McCook among property owners, businessmen and others favorable to the acquisition of a site for a future city hall and fire department building combined by the present city council. Expressions of concern and of sentiment urging this course of action by the council may be heard from many sources.

It is urged that desirable property is not likely ever to be purchasable at a less price—perhaps never so cheap again. Such a desirable location is available now and at a not unreasonable price.

While the state of our municipal finances will not at present admit of the construction of an adequate building, the time is ripe for acquiring a site and such a course would doubtless meet with popular approval.

THE REALM OF RUBBER.

We have to be careful in the selection of rubber goods and you should be as careful as we are. Between the highest grade and the wholly bad there is not very much difference, but the difference is soon found out if you happen to get hold of an unworthy kind.

We carry different grades of which the cheapest are good and the best are the finest to be had. Each kind is sold for just what it is and guaranteed.
